PLEASE CONTACT:
FEEGI
SECRETARY/TREASURER
MARKUS VINK
DEPARTMENT OF
HISTORY
S.U.N.Y., COLLEGE OF
FREDONIA
FREDONIA, NY 14063-11

Professor Vink is the new book review editor for the quarterly journal ***Itinerario***, the official outlet of our associates who are members of the Institute for the History of European Expansion headquartered at Leiden, The Netherlands. Professor Vink plans to announce to FEEGI members the books he would like to have reviewed and

invite interested members to contact him.

Members should be aware that our joint session at the American Historical Association's annual meeting in San Francisco, organized by Professor Karen Ordahl Kupperman, will be on Saturday, January 5 at 2:30 in the St. Francis Hotel, Elizabethan Room B:

"Crossing Borders: Frontier Theory in Pan-American Perspective"

Karen Ordahl Kupperman,
New York University, Chair

"Lessons from the Periphery: Canadian Frontiers and American History," William H. Katerberg, Calvin College

"Europeans and Native Americans in Early America: Towards a New Understanding of Culture, Cultural Change, and the Frontier," Paul Otto, Dordt College

"Contesting Frontiers: Intranational Colonialism, the Ache, and Human Rights in Paraguay, 1958-92," Rene Harder Rost, Appalachian State University

(Editor's Note: Our membership has grown now to approximately 237 members. Since most of the monies in the treasury go to support the conferences, all members are urged to be sure that they have paid their current dues in a timely fashion. The Secretary-Treasurer informs the Board that we have currently received dues from only 37 per cent of the members. In order to ensure the success of

the upcoming conference, we are compelled to insist that membership dues must be paid in advance as a precondition for participation in the conference.)

*On a related note: this edition of the newsletter, despite the number and title of "Spring, 2001" obviously arrives in the Autumn. The major reason for the delay comes from the lack of response from members to inquiries from the Editor about what they would like to see in the Newsletter that would be of use or interest in furthering FEEGI's future development. At the upcoming meeting in February, 2002, I have asked the Board to consider the possibility that we suspend publication of a Newsletter in favor of an electronic website as the sole and preferred means of keeping FEEGI members connected to one another. If members wish to weigh in on one side or the other of the proposition, they are asked to do so in writing to any member of the Board prior to the business meeting which is tentatively scheduled to meet on Saturday following the Noon lunch hour.
